requirements for nondominant common carriers. The purpose of the filing requirement is so that the Commission, customers, and interested parties can ensure that the service offerings of communications common carriers comply with the requirements of the Communications Act. The Commission recently modified the tariff filing rules for domestic, nondominant common carriers to remove the provision permitting such carriers to file rates in a manner of the carrier's choosing, including as a reasonable range of rates. Domestic, nondominant common carriers must file tariffs containing specific rates.

## Limited Waiver of Deadline for Completion of Cellular Divestiture for PCS Providers

AGENCY: Federal Communications

Commission.

ACTION: Notice.

SUMMARY: The Chief, Wireless Telecommunications Bureau released this Order granting a request for a limited waiver of the Commission's Rules regarding deadline for completion of cellular divestiture for PCS providers filed by WirelessCo, L.P., PhillieCo, L.P., and Sprint Corporation ("Petitioners"), file number CWD-95-7. As a result of this order, Petitioners have an extension of the post-auction divestiture time period for one year, until September 21, 1996, to divest Sprint's prohibited cellular interests and come into compliance with the PCS/ cellular cross-ownership rule. This waiver is conditioned upon the Petitioners demonstrating that the activities of Sprint Cellular and Sprint Telecommunications Venture will be separated completely during the waiver period to prevent anticompetitive practices. A certified plan demonstrating this separation must be submitted to the Wireless Telecommunications Bureau's Commercial Wireless Division within sixty (60) days of the publication of this Order in the Federal Register.

DATES: December 11, 1995.

**ADDRESSES:** Federal Communications Commission, 1919 M Street, N.W., Washington, D.C. 20554.

FOR FURTHER INFORMATION CONTACT: Lisa Warner, (202) 418–0620, Wireless Telecommunications Bureau, Commercial Wireless Division.

SUPPLEMENTARY INFORMATION: This is a synopsis of the Bureau's Order, in Re Request of WirelessCo, L.P., PhillieCo, L.P., and Sprint Corporation for limited waiver of Section 24.204 of the Commission's Rules, File No. CWD-95-7, adopted September 21, 1995, and released September 21, 1995. The complete text of this Order is available for inspection and copying during normal business hours in the Legal Branch, Room 7130, 2025 M Street, N.W., Washington, D.C.

## Synopsis of Order

- 1. This Order resolves the July 26, 1995, request by WirelessCo, L.P., PhillieCo, L.P., and Sprint Corporation for a limited waiver of the deadline for completion of cellular divestiture for PCS providers set forth in Section 24.204 of the Commission's rules, 47 C.F.R. § 24.204.
- 2. Section 24.204 prohibits entities with an attributable ownership interest in a cellular licensee (20 percent or more) from obtaining a 30 MHz broadband PCS license if the populations of the system's geographic service area and PCS license areas overlap significantly.
- 3. As a result of its PCS activities, Spring Telecommunications Venture (a new subsidiary of Sprint and a partner in WirelessCo and in PhillieCo) have a "significant overlap") in several markets which requires divestiture of Sprint's cellular interests. The Commission's

rules requires divestiture within ninety (90) days of the final license grant, or in this instance on or before September 21, 1995. Petitioners request a extension until September 21, 1996, to complete all actions pertaining to the divestiture including obtaining a letter ruling from the Internal Revenue Service.

The Commission granted Petitioners a limited waiver in accordance with Section 24.819(a)(1)(i) of the Commission's rules. 47 CFR 24.819(a)(1)(i). The Commission stated that the underlying purpose of the rule would not be served in this instance by its strict application to Petitioners. In addition, The Commission found that grant of the waiver would be in the public interest because a spin-off of the entire Sprint Cellular company to its shareholders is far more pro-competitive than the more limited divestiture required by Section 24.204 of the Commission's rules.

Grant of the waiver is conditioned upon Petitioners submitting a certified plan demonstrating complete separation between Sprint Cellular and Sprint Telecommunications Venture during the waiver period.
